

Tailored Digital Solutions
for Australian Clinics

JEMERGENCY™

On-Screen Duress Protection
for Australian Clinics

JEMERGENCY™

Protecting Your Team, Silently and Effectively

Medlink Connect™ | Jemergency™ is a modern, lightweight on-screen duress solution designed specifically for Australian medical clinics.

Built to safeguard your staff in high-pressure situations, Jemergency™ activates silent alerts instantly — ensuring help is summoned discreetly and reliably.

FEATURES

RACGP ACCREDITATION COMPLIANT

Meets all standards for duress alert systems under RACGP accreditation guidelines — keeping your clinic fully compliant and your staff protected.

ON-SCREEN ALERT ACTIVATION

No bulky hardware or desk buttons required. Trigger help with a simple keyboard shortcut or discreet mouse action.

LIGHTWEIGHT, NON-DISRUPTIVE INSTALL

Jemergency™ is fast and easy to deploy with minimal impact on daily operations. Ideal for busy general practices, reception desks, and consult rooms.

AFFORDABLE PRICING

We guarantee to beat your existing duress system pricing — without compromising safety or reliability.

DIRECT LOCAL SUPPORT

Our support is in-house and responsive. Unlike third-party solutions, assistance comes directly from our dedicated local support team, ensuring quick resolution when you need it most.

DISCREET & RELIABLE

Designed to remain invisible to patients and visitors while delivering real-time alerts to designated staff or security responders.

WHY CHOOSE US

Local Expertise & Partnership

Developed by Medlink Connect™, an Australian-owned provider of healthcare-specific software and safety tools. Jemergency™ reflects our commitment to creating affordable, compliant, and reliable solutions that fit seamlessly into real-world clinic environments.
