

— RACGP ACCREDITATION SUPPORT

# Turn RACGP standards into clear processes, staff confidence and *organised evidence*.

Hands-on accreditation support for Australian general practices — built around your team, your software, and the realities of a working clinic. No generic theory, no template dump.

## Accredit.

A MEDLINK  
CONNECT SERVICE

### What we cover

SIX FOCUS AREAS

<p><b>01</b> <b>Gap Review</b> Identify priority gaps before survey and clarify what needs action.</p>	<p><b>02</b> <b>Policy Support</b> Review key policies, procedures, checklists and clinic documents.</p>	<p><b>03</b> <b>Evidence Prep</b> Help organise evidence, registers and records for accreditation.</p>
<p><b>04</b> <b>Team Readiness</b> Prepare reception, nursing, GPs and management for survey day.</p>	<p><b>05</b> <b>Workflow Design</b> Workflows your team can implement quickly and confidently.</p>	<p><b>06</b> <b>Action Plan</b> A practical task list with priorities, owners and timeframes.</p>

#### WHY MEDLINK CONNECT

Built by people who know *general practice*.

- ◆ **Practice-led**  
Delivered by people who understand real general practice pressures.
- ◆ **Tailored to your clinic**  
Workflows and policies specific to your team — not generic theory.
- ◆ **Evidence-focused**  
Clear guidance on what to prepare and how to organise it.
- ◆ **Survey confidence**  
Support to help your team feel prepared before accreditation.

#### HOW IT WORKS

Three steps to a tailored *quote*.

- 01 Readiness discussion**  
A short conversation about your clinic, timeline and priorities.
- 02 Tailored scope & action plan**  
We map the work to your clinic — not a generic checklist.
- 03 Fixed quote, then we begin**  
You see the price up front. Remote support available throughout.

**PRICING** | *Quoted to suit each clinic*

### Ready for *accreditation*?

Start with a no-obligation readiness discussion. We'll map your gaps and timeline, then provide a fixed quote built around your clinic.
